Testimonials

"Mike Isenhour flawlessly manages a contract, that employs hundreds of employees and is worth tens of millions of dollars. Mike works with ACC Orlando to ensure no work stoppage occurs or degraded training occurs under his watch. As the COR, he can be counted on to manage very large contracts." **COL Chuck A. (Retired)**

"Mike has a knack for working under pressure to deliver results on time and within budget. He is adept at risk management, issue resolution, and issue management. He has been a valuable asset to my team and a proactive and effective project manager. He's a great resource!!" **Chelsea M.**

"Michael is organized, data driven and process oriented Program Manager. He is one of the best PMs that I have known in both my military and civilian careers. He originally started out as our COR and quickly adapted to the PM role when circumstances required him to take on the PM role. His work has been spectacular and I would not hesitate to have him on my team." **COL Jerry W. (Retired)**

Differentiators

Leading Edge Customers – We have demonstrated success meeting extremely high performance standards required by DoD and large private sector agencies.

Price Competitiveness – We keep our costs low and price aggressively to win in the current budget environment. We maintain the ability to recruit and retain high quality partners.

Government Contracting Experience - We understand what it's like as the Contracting Officer Specialist, the KO, and the COR. (We've Been There!)
